

# 3- Miracle Question

- Think of **ONE serious challenge** you've faced in one of your recent projects (e.g., technical, creative, project or time management).
- Now imagine you wake up tomorrow and that **challenge** has been **completely resolved**.

Go to the [Padlet Link](#) and answer the following questions:

- a) What does success look like?
- b) What steps do you think led to that resolution?
- c) Which soft skills were involved in solving the problem?
- d) How might you develop or strengthen those skills further?
